

# Swish

## Social Story

This is our set for Swish.

This is what you will see when you come into the performance space.

This is Emily.

She will greet you as you come into the performance space.

Emily will be controlling the sound of the show.  
You will hear lots of different sounds.

This is Soniya.

She will greet you as you come into the performance space.

Soniya will be performing in the show.

This is Natalie.  
She will greet you as you come into the performance space.

Natalie will be performing in the show.

During the show, Soniya and Natalie will talk and sing to you.

They play several characters in Swish, here is a photo of them as jellyfish!

Soniya and Natalie will use Makaton signing throughout the performance.

You will meet these three characters,  
who are all puppets
